Our house roast is made
with 100% ethically sourced coffee beans.

East Africa is the ancestral home of coffee, where it grows wild in the hills. Beans from this area are complex and dense, with a range of flavours from sweet berry to rich chocolate and bright citrus. This coffee blend is a showcase of the beautiful coffees of the East African region - sweet, smooth, silky and perfectly balanced.

100% Arabica beans.
Roasted locally in Brisbane.
